

Rotary 9-4-18

In this photo recap of La Grande Rotary we find Rotarians, some who are eager to have their picture taken:

Jeff and Braden

Bob Kavanaugh never met a camera he didn't like.

Heather Watson welcoming our red badge member, Jean Murphy

**Some Rotarians that are oblivious to having their picture taken:**

Jeff and Mary deep in negotiations.

Aloris Winters introducing District Governor, Craig and District Governor Larry Hatch and his wife, LaDonna. Craig, Rick, and Jeff are, well, sitting, and just oblivious to most everything.

**And, at least one Rotarian is reluctant about having his picture taken.**

Dave is wanted in several states for transportation and sale of illegal hair enhancement chemical products. Note he isn't wanted for use of the product.

In other news, exchange student Maria gives a surprising and scary report—just look at Dave’s and Klesie’s faces....

We are introduced to Governor Larry Hatch who helps La Grande Rotarians see that this year's theme is "Be the Inspiration"---noting the difference between the preposition "In" and "Per."
