

Rotary 10-16-18 La Grande Rotary Trivia

The Rotary Program for this last Tuesday was a trivia contest. Rotarians answered 11 questions about all sorts of “stuff.” The answer for the question posed is, “If it was your barrel, 215. If it was someone else’s barrel, 15 ill gotten fruit.”

3. How many apples would you have if you took 15 out of a barrel of 200 apples?

1. 215
2. 200
3. 185
4. 15

Of course, Rotarians live their own special trivia:

How many Rotarians attend the meeting just because we have great lunches? Answer: Trick question, all of them.

How many Rotarians does it take to eat a plate of cookies? (Answer: Apparently, one).

How many Rotarians can sit on one side of a table without tipping it over? Answer: None. Tucker, Glenn and Braden don't ever tip.

Which Rotarians consider cookies a vegetable? Answer: See below.

Which random three Rotarians are newest in the club? Answer: Jean, Mona and Greg. Newbies cling.

What is the first response when a Rotarian is asked to chair a committee? Answer, point to someone else.

Who was the winner of the trivia contest? Answer: Another trick question, we were all winners.

Which Rotarian is full of...trivia? Answer: Our own Zee!
