

La Grande Rotary 2-12-19

Debra and Meg are amused by Mary's story. See next slide.

Mary explains her connections with Notre Dame. Evy asks if there was a hunchback involved.

Tucker explains how “big” government works. Robert thought he was big government.

“Rrrr!”

Zee hangs on to "her precious," Dave.

“I’m not sure we should tell the club that we stowed-away on that flight to New Zealand.” Eric is concerned Meg will spill the beans.

Meg comes to the rescue in preparing for the presentation.

What a presentation it was! Absolutely gorgeous scenery and terrific photos.
