

Rotary 6-18-19 Rotary Lunch Pairs

For this set of Rotary pictures, your chore is to choose what is cuter or more compelling, the picture of Rotarians working together, or our furry/feathery friends. The existential question is, which picture is more meaningful?

Joel and Bob? Or...

Debra and Mary? Or....

Kelsie and Stacie, or...

Nate and Tim? Or...

These old coots, or....

A seasoned Rotarian and a newbie? Or.....

A polite changing of the presidency? Or....

A quiet presentation from an academic? Or...

“What sort of club did I get into, anyway? You are all animals!”
