

Rotary 11-5-19

Rotary Wildlife—A comparison of typical Rotary Lunch life and our chimpy friends.

Both see things through the lens of a camera...

Both consider their paperwork...

Wild wagering Greybacks, Eric, Dave and Joe. Similarities?

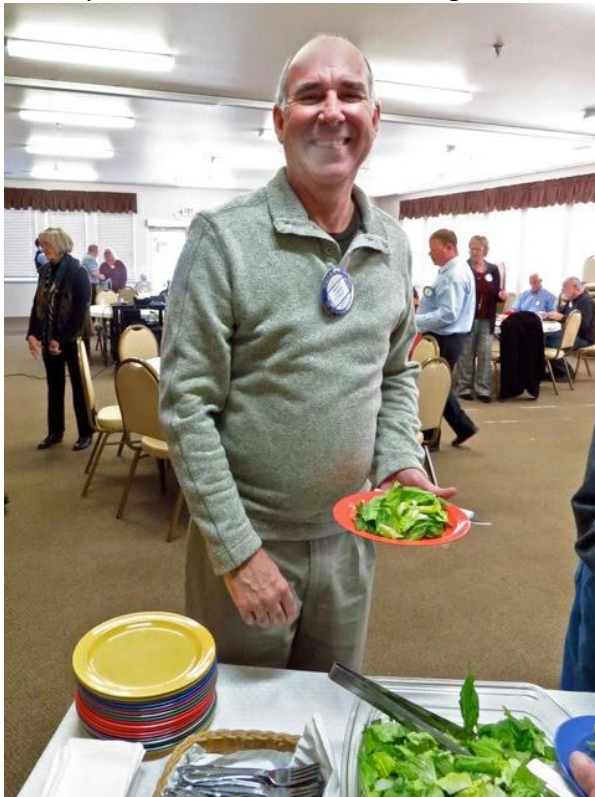

Both share a laugh. Glenn and Eric.

Both show an ability to draw and paint. Debra shows off her skills of to Mary—an advanced species?

Both species take a lunch break, right Robert?

Both species communicate. "We should hop over to the capitol/tree stump to see what we can do." Tucker and Jim aping good behavior.

In both species, it takes a village...

Like chimps, Rotarians like to be in groups. Some have a lot to say!

And some things are just universal:  
"I've fallen and I can't get up."
